

**Thank You Notes: Volunteer**

Dear <<volunteer name>>,

Thank you for taking the time to come out and help with our blood drive. With the help of volunteers like you, we were able to collect <<unit count>> pints of blood, more than we have ever collected before.

Of course, the real winners are the patients in need of blood. As you know, each blood donation can help save up to three lives. Your willingness to commit your time to this effort is truly appreciated by the blood recipients, their loved ones and all of us here at <<organization name>>.

We hope that we can count on you to volunteer again at our next blood drive on <<date>>. You help make <<organization name>> a success. I am proud to work with you.

Thanks again,
