Search Drives by City and State

The screenshot shows the 'Schedule an Appointment' page on the American Red Cross website. The page has a navigation bar with the American Red Cross logo and several menu items: 'Donating Blood', 'Learn about Blood', 'Hosting a Blood Drive', 'Volunteer', 'For Hospitals', and 'MAKE A BLOOD DONATION APPOINTMENT'. Below the navigation bar is a sidebar with links: 'Account Homepage', 'Schedule an Appointment', 'View Upcoming Appointments', 'View Past Donations', 'View Profile', 'Help', 'Logout', and 'Eligibility Requirements'. The main content area is titled 'Schedule an Appointment' and contains a section 'Find a donation opportunity near you' with a 'Required Information' section. This section includes a 'Enter ZIP Code' field, a 'Within 10 miles' dropdown, 'From Date' and 'To Date' fields, and an 'OR' section with an 'Enter Sponsor Code' field and a link 'What is a sponsor code?'. Below this is a 'Find A Drive' button. The 'Other ways to find a donation appointment' section has a 'Please Search by City & State' heading, a 'City' field with 'Decatur' entered, a 'State' dropdown menu, and 'From Date' and 'To Date' fields. The 'State' dropdown menu is open, showing a list of states from AA to MA. A red arrow labeled '4' points to the 'GA' option in the list. There is also a 'Find A Drive' button and a link 'Or search by donation type >>' at the bottom of the section.

4. Select the State from the list of values in the *State* field.
Note: The search can be further narrowed by selecting From Date and To Date.

The screenshot shows the same 'Schedule an Appointment' page as the previous one, but with the 'State' dropdown menu now set to 'GA'. A red arrow labeled '5' points to the 'Find A Drive' button in the 'Other ways to find a donation appointment' section. The 'City' field still contains 'Decatur', and the 'From Date' and 'To Date' fields are empty. The 'Find A Drive' button and the link 'Or search by donation type >>' are still present at the bottom of the section.

5. Click **[Find A Drive]**.
