1. Log in to the DRR web account. To search for available Drives, select **Find a Drive** on the Account Homepage.

2. To search for a Drive with a Zip Code, type the Zip Code in the **Enter Your ZIP Code** field.
3. To narrow the search, select the desired miles from the **Within** field.
4. To narrow the search, select **From Date**.
5. To narrow the search, select **To Date**.
6. Click **[Find A Drive]**.

**Note:** A DRR can also search for a Drive by **Sponsor Code**, **Donation Type**, **City**, **State**, **From Date** and **To Date**.
7. View the Drives availables in the Zip Code displayed on the Find a Drive page.
